Old Business:

Don reported that he has not yet established a calendar for getting the church lawn mowed. At that time, Doug volunteered to mow the week of the 19th. Don signed up to mow the week of the 26th. Don will have a calendar at church next Sunday to complete signups for August.

Doug agreed to complete the planning by The 24th of July, and report to the trustees on the plan to complete the project.

It was agreed to plan a work day for August 14th. To do the work on the food bank project.

New Business:

Curt stated that we need to check the irrigation system for needed repairs, and that it would be a good thing for someone to water the grass on the north side of the Chapel occasionally. Doug volunteered to take on the north lawn, as it is right across the street from his house.

These additional items were brought up for attention;
